## **CCC JOBS IN RIVERSIDE ... LEARN MORE MARCH 28-31**

The California Conservation Corps is guaranteeing jobs in Riverside and giving young people a chance to learn more about them.

The CCC will offer orientation sessions in Riverside Monday, March 28 through Thursday, March 31 from 10 a.m. to 4:30 p.m. each day. Corps staff will be on hand at Cesar Chavez Community Center at Bobby Bonds Park, 2060 University Avenue in Riverside. Parents are welcome to attend.

The CCC has immediate openings for full-time positions on its Riverside crew, with women encouraged to apply. Applicants must be between 18 and 25 years of age, California residents and not on probation or parole. Those attending the orientation session should bring a photo ID and either a Social Security card or birth certificate.

Training, job skills, outdoor work, career direction and more ... all this is part of the CCC. Corpsmembers work each day on a variety of natural resource projects; in Riverside the work sites will include Sycamore Canyon Park. Corpsmembers may also be dispatched to floods, fires, earthquakes and other natural disasters. In addition, the CCC assists young people in earning their high school diplomas.

To learn more about the CCC, drop by one of the Riverside orientation sessions or make an appointment by calling **(909) 862-0767**. Information on the California Conservation Corps is also available on the Web at **[www.ccc.ca.gov](http://www.ccc.ca.gov)**.
